

QUALITY IN PHARMA INDUSTRY

CHANAKYA GROUP

CURRENT SCENARIO

- **Unskilled man power**
- **Out dated technology**
- **More paper work**
- **Existing culture/mind set/attitude/human behaviour**
- **Lack of product and process knowledge**

CHALLENGE IMPLEMENTATION

- **Competent and skilled man power**
- **Huge cost involvement**
- **Implementation of time**
- **Linkage with legacy system**
- **Security & safety control**
- **Market requirement**
- **Training and its effectiveness**
- **Stability of trained employee**

TECHNOLOGY GAME CHANGER IN QUALITY

- **Automisation**
- **Productivity enhancement**
- **QAMS empowerment**
- **Transparency**
- **Consistency in product quality**
- **Reduction in NCs**
- **Data accuracy**
- **Time and cost saving**
- **Work simplification**
- **Defining & understanding of root and real cause**
